NETWORK NEWS

Dallas/Fort Worth Network

On May 8, 2023, members of IWIRC DFW gathered at Boulevardier restaurant in Dallas, Texas for a custom French menu and wine selections to celebrate 30 years of IWIRC. Attendees also had the opportunity to shop for a good cause among candles, jewelry and other accessories from The Worthy Co. in support of The Net, a non-profit social enterprise that provides hands-on job training to survivors of trafficking and sexual exploitation in North Texas.

Puerto Rico Network

On May 20, 2023, IWIRC Puerto Rico held its Summer Kick-Off & Welcome to its new members at the Rio Bayamon Golf Course - Driving Range. Attendees enjoyed a private golf class, made new connections and shared countless laughs.

Oklahoma Network

IWIRC Oklahoma celebrated IWIRC's 30th anniversary on May 6th, 2023 by volunteering at the Regional Food Bank of Oklahoma. The volunteer event was followed by dinner at Mexican Radio and a wine/paint event at Paint and Cheers.

Ontario Network

On June 8, 2023, the IWIRC Ontario Network hosted an event celebrating IWIRC's 30th anniversary at Terroni on Adelaide! Members (and a few non-members) joined together to celebrate over delicious food and drinks.

As a part of the 30th anniversary celebration, IWIRC Ontario partnered with Red Door Family Shelter, an emergency shelter and support for women and children affected by domestic abuse, families experiencing a housing crisis, and refugee claimants with nowhere else to turn. The IWIRC Ontario Network raised \$350 for Red Door Family Shelter and collected boxes of in-kind donations of sugar, oil, cereal, and diapers.

It was an uplifting night of celebration, connection, and giving back!

Midlands & North of England Network Launch Events

We have now had all three of our launch events, in April and May, covering each of the three regions in our Network; North West, Midlands, North East and Yorkshire.

The events were a great success with hundreds of people attending, keen to find out more about IWIRC and our plans for the future.

Midlands & North of England Network 30th Anniversary Event

For IWIRC's 30th Anniversary, some of the North-West sub-committee members of the newly-established IWIRC Midlands & North of England Network devoted their lunchtime to give back to the community – braving Manchester's sunshine and showers to go litter picking in the city centre.

It was a fantastic opportunity to raise our profile while doing a good deed. It was also really good fun and great to spend some time with the other members and discuss ideas for upcoming events!

Greater Philadelphia Network

On July 13, 2023, the IWIRC Greater Philadelphia Network hosted a joint summer networking event with the Turnaround Management Association Philadelphia/Wilmington Chapter's Network of Women. Members from both organizations joined lots of new faces for candle making at Wax + Wine in Old City, Philadelphia.

Attendees had over 75 fragrances to choose from in the Scent Cellar and were guided by Wax + Wine's chandlers through the candle making process. The event also featured fabulous wines from Allegro Winery at the in-house wine shop and custom floral cupcakes (gluten-free and organic!) from Tres Fiori.

Thank you to our event sponsor EisnerAmper LLP and to everyone for making this a scent-sational event!

Western Canada Network

From June 2-4, 2023 IWIRC WCN was proud to host its Spring Conference at beautiful Sparkling Hill Resort in Vernon, BC. Our members from across Western Canada (Saskatchewan, Alberta and British Columbia) attended. It was an exciting weekend of networking and professional development. Attendees heard panel discussions on business development/ marketing strategies and interesting areas of the law including litigating debtor's claims and ethical considerations in insolvency. The keynote address titled "Advancing Self and Others" came from Jennifer Shtainer. The conference was incredibly well attended and our members had a great weekend.

On July 13, 2023, our members celebrated the Calgary Stampede at the IWIRC WCN Stampede Party. Attendees learned how to line dance and then hit the dance floor to celebrate Stampede...YAHOO!

Our Edmonton members gave back to the community this summer hosting a day helping with cooking meals at the Edmonton Mustard Seed. The event was well attended and it is wonderful to see our members serving the community they work and live in.

The Western Canada Network is proud to announce we have been growing and now have 100 members in the network!

Northern California Network

In May, members of the Northern California Network gathered for a night of axe throwing! Participants had a great time networking with one another over some friendly (and tough!) competition. Last month, Northern California members participated in a historical walking tour of the renowned Pacific Heights Mansions in San Francisco.
