### [IWIRC International Spring Meeting](#)

April 23-24, 2014

Washington, D.C.

*By Marlene Rabinowitz*

[#iwircspring](#)

The New York Chapter would like to congratulate our very own Co-Chair, Carren Shulman, for receiving the Melnik Award for exceptional contributions by an IWIRC member at the IWIRC's Annual Spring Meeting was held in Washington, D.C. on April 24<sup>th</sup>, 2014. "Carren is a wonderful role model for women in the industry and we are thrilled she earned this award," said Marlene Rabinowitz, co-vice chair of the New York chapter. Carren also serves as an At-Large Director on IWIRC's board and a member of the Programs Committee and is a partner at Sheppard Mullin Richter & Hampton LLP in New York.

In addition to Carren's award, Caroline Moran, an associate with Maples and Calder in the Cayman Islands, received the Fetner Award for exceptional contribution by an international IWIRC member.

We are also excited to congratulate our neighbors across the river in New Jersey for their accomplishment in receiving the Ryan Award for Outstanding IWIRC Network.

The IWIRC Spring Conference had an exceptional turnout this year and it was wonderful to network and spend time with our contacts and friends in other networks across the country. Thanks to Arnold & Porter for hosting a great opening reception prior to our dinner. The conference kicked off very early the next morning with a group of both runners and walkers who set out through the streets of the city for some fun and exercise.

The program featured 2 panels. The first was a reprise of the IWIRC NY original program, Pitch Perfect: A Mock Pitch Event. Each group of panelists – lawyers, financial advisors, and claims agents worked hard to present to a room full of colleagues and welcomed constructive feedback from the other panelists and the room full of IWIRC members and attendees. The second panel provided an in-depth look at social media. Thanks to all the panelists and our own Co-Chair, Sarah Frankel, who moderated the event.

### [2<sup>nd</sup> Annual IWIRC NY Golf Camp](#)

**May 13<sup>th</sup>, 2014**

**Harbor Links, Port Washington, NY**

By [Laura Swanson](#)

On May 13, 2014 IWIRC NY held its second annual Golf Camp! The event was held at Harbor Links Golf Club in Port Washington, New York on a surprisingly beautiful spring day. The morning began with a light breakfast and socializing before the novice and intermediate golfers headed off to have their "Golf 101" lesson as the expert golfers headed to tee-off on the main course. While the experts were breaking course records with their holes in one, the novice and intermediate players got great tips from some excellent and friendly instructors. Golf 101 focused on all aspects of the game, and taught us how to improve our long game,

wedge/middle game, and short game with tips such as "TYT" – Turn Your Tush and "ABA" – Always Be Accelerating. After the training, the novice and intermediate players were let out into the "wild" on the executive course, where they played nine holes and had a lot of fun using their new skills. During the event, we overheard many members remarking on how they now found the game to be more approachable, and that they might actually like the crazy game of golf! The day ended with a delicious BBQ lunch back at the clubhouse before we headed home after an exhausting and fun day.

## IWIRC NY Fall Elections

### IWIRC NY Fall Elections New York, NY

By *Carren Shulman*

Our Nominating Committee, chaired by former IWIRC Chair Judy Elkin, is looking forward to our upcoming elections this Fall. We will host a meeting in mid-September for all members interested in serving on the Board to hear from current Board members about the open Board positions and the obligations they entail. We have had a great Board in place and will begin instituting staggered terms to allow for continuity, so don't let the fear of the unknown keep you from seeking a position.

Want to help and not ready for the responsibilities of a Board position? Sign-up for a sub-committee and get involved. We need your help to carry out our events and reach our members. We will be soliciting nominations for the Board after the September meeting and circulating ballots by early November.

## Sponsor Highlights: Member Profiles

**Sponsor Profiles:** IWIRC NY Platinum sponsorship comes with many perks including member profiles featured in our quarterly newsletter. See below for our latest profiles and sponsor today to take advantage of this and many other sponsorship perks.

[Karen B. Shaer](#) serves as Senior Executive Vice President and General Counsel of The Garden City Group, Inc. (“GCG”), and has been with the company since September 2001. Her accomplishments as an attorney, combined with her class action and chapter 11 reorganization management skills, have contributed to the successful expansion of GCG’s services.

Prior to her tenure at GCG, Karen served as General Counsel at American Family Enterprises, a subsidiary of Time, Inc. In this role, Ms. Shaer was an advisor to the CEO/President and the Board of Directors. Before joining American Family Enterprises in 1998, she served with the U. S. Attorney’s Office, Southern District of New York where her positions included Deputy Chief, Criminal Division and Assistant United States Attorney. Earlier in her career she was a litigator involved in a wide range of civil litigation with the firms of Lankler Siffert & Wohl and Wachtell, Lipton, Rosen & Katz. Karen graduated Phi Beta Kappa from Yale University and was a Harlan Fiske Stone Scholar at Columbia Law School where she earned her J.D.

Karen has been a longtime member of IWIRC and supporter of women’s issues and concerns in the workplace. She, along with several other female executives at GCG, was recently profiled by CNN after a CNN correspondent discovered that eight out of GCG’s 15 top executives are women – a significantly higher percentage than reported by peer firms.

In the profile, Karen discussed the importance of mentoring younger women and focusing on the “two pillars” to retaining and promoting women – flexibility and autonomy. As work-life balance continues to be a struggle for many women in career advancement, Karen has not let such issues be brushed under the rug in her own workplace: “I would say I talk about [work-life balance] and I help people problem-solve around it and I try to be supportive around it, and I think that’s a really important part.” Karen is looking forward to greater involvement with IWIRC as the New York chapter grows and is eager for more opportunities to meet and network with female professionals in the insolvency and restructuring space.
