

Jennifer B. Kimble

The success of our Chapter is due in no small part to the contributions and enthusiasm of our incredible members. In celebration of that fact, each quarter, we feature the “IWIRC NY Shining Star” recognition to introduce you to exemplary members of the IWIRC NY community. This summer, we celebrate Jennifer Kimble. Congratulations, Jennifer!

Professional Background

Jennifer Kimble is the Director of Business Development with Prime Clerk, the leading provider of bankruptcy administration, claims and noticing services in chapter 11 cases and other restructurings. Prior to joining Prime Clerk, Jennifer practiced law for 11 years in Birmingham, Alabama where her practice focused on the representation of debtors, creditors and committees in complex restructuring cases. She has extensive experience in the automotive sector and served as counsel to the Official Committee of Retired Employees in Eastman Kodak Company and to the United Mine Workers of America in Walter Energy. Jennifer is licensed to practice law in Alabama, Mississippi and New York.

IWIRC Involvement

Jennifer is a member of IWIRC NY and has been a member of the Membership Subcommittee since 2016. In addition, Jennifer is active with IWIRC at the international level, currently serving on the IWIRC Management Committee as the Communications Director. From 2012 through 2015, Jennifer served as the IWIRC Programming Director. In 2010, Jennifer co-founded and subsequently co-chaired the Alabama IWIRC Network (now the Gulf Coast Network) and in 2012, Jennifer received the IWIRC Rising Star Award. Most Memorable IWIRC Moment

Jennifer's most memorable IWIRC moment relates to attending the IWIRC Leadership Summit. Jennifer's first Leadership Summit was in Boston in 2011, and she has attended the Summit every year since then. The Leadership Summit allowed her to see first-hand the wonderful work that women across the world are doing to advance the interests of women in the restructuring industry and she was hooked on IWIRC after attending her first Summit. Jennifer said she has met some of her closest friends through IWIRC, and in the years since 2011, has worked to advance the interests of IWIRC wherever possible. There are so many opportunities for restructuring professionals to get involved with IWIRC and gain invaluable leadership experience and expand your network – if you need help finding a spot to volunteer, give Jennifer a call – she will help you! Jennifer lives in Manhattan with her two cats, Jack and Zoe. In her spare time, Jennifer enjoys CrossFit and travel.
